AFTER FINAL RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This communication is responsive to the Final Office Action mailed on October 6, 2005, and the Advisory Action mailed January 23, 2006, and is being filed in conjunction with a request for continued examination. Amendments to the claims begin on page 2. Remarks begin on page 7.

Initially, it should be noted that the Advisory Action incorrectly states that the After Final response was filed on December 12, 2005. As a certificate of mailing was used, the correct filing date of the After Final response is the mailing date of December 6, 2005, which is within 2 months of the mailing date of the Final rejection. Therefore, the period for calculating extension of time fees begins on the mailing date of the Advisory Action, or January 23, 2006. As this response and RCE is being filed with a certificate of mailing on March 23, 2006, only a 2 month extension of time is needed.
